

Are you the owner of a small or medium sized business?

Are you concerned about rising energy costs?

Would you like to learn how to lower your energy bills long-term?

Then SEAI's **SME Energy Management Training** is for you!

When: Tuesday 16th and 23rd February, 10.00 – 11.00am

Who: Owners, senior managers and energy managers of small and medium sized businesses

This is a lively, interactive and **FREE** online workshop, run by professional energy advisors, with an optional **free 30-minute follow-up consultation** from one of our experts. The workshop will help you to:

Understand how much you are spending on energy

Identify where your business uses the most energy

Prioritise appropriate energy saving measures

Plan and implement energy saving projects

Email Business@seai.ie to secure your place

Please provide:

- *Your Name, Job Title, and the Name of Your Business*
- *The Sector in which your business operates*
- *Your Business Mailing Address*

Places will be allocated on a first come, first served basis to eligible attendees.

Please note: This programme has been developed for SMEs and is not open to industry professionals/consultants at this time.
